Early My God Without Delay

Eb Bb/D F/C

I haste to seek your face

Bb Eb

My thirsty spirit faints away

Eb F/A Bb

Without your Cheering grace

Chorus 1

Eb F

My Spirit toils with this life's gloom

Gm F Eb

And fights to stay the course

Bb Eb

Remind me of that heavenly hour

When you first called me yours.

Verse 3

Early my God without delay

before tomorrow's dawn

Let trumpets sound the victory tune

Because you have returned

Not life itself with all her joys

Will tempt my spirit move

My make and my helping hand

All I need is You.
